

## Vintage Chart: Washington

---

### VARIETALS

Cabernet  
Sauvignon  
Merlot  
Syrah  
Chardonnay  
Riesling  
Sauvignon  
Blanc

YEARS	DETAILS	SCORE
2002	Near perfect growing conditions; lower yields and cool harvest, very serious red and white wines with lovely aging potential	93
2003	Incredible weather, one of the best vintages in state history	95
2004	Cooler temperatures during harvest following a hot growing season; balanced and rich red and white wines	93
2005	Excellent, near perfect vintage that produced highly concentrated fruit; whites also enticing	95
2006	Slightly below pace of '05; outstanding quality rich fruit for red and white wines	94
2007	Some summer heat spikes following ideal conditions led to balanced and rich red and whites	91
2008	Slightly cooler growing season marked by structured yet rich wines; whites particularly good	92
2009	Difficult fruit set following cold and wet spring; very hot summer led to ripe and dense wines with slight nod to reds	93
2010	Colder, low yielding vintage leading to highly structured wines and exceptional whites	90

YEARS	DETAILS	SCORE
2011	Even colder than '10 led to graceful whites and less concentrated reds; best producers fared well	87
2012	Outrageously good vintage with near perfect conditions everywhere; one to stock up for the cellar	98
2013	Warmest season on record led to deep and penetrating red wines.	94
2014	Eclipsing '13 in warmth; rich and enticing reds, whites rich but acidity a challenge	92
2015	Challenges aplenty for whites due to heat spikes, some reds lacking mid-palate ripeness but the best thrived	90
2016	Beautiful reds from Rocks AVA and others thriving; most whites also faring well	92
2017	Whites superb, reds generally very good. Some mid-palate ripeness issues. Top producers fantastic, amazing from Rocks AVA.	92
2018	NYR	
2019	NYR	
2020	NYR
